

REC KIDS DAY CAMPS

GYPSUM

Held at the Gypsum Rec Center, campers start and end their day in the camp room and enjoy games, crafts, playground time, and afternoon swimming (schedule permitting). Once a week, we'll walk to the Gypsum Public Library for extra activities, and Fridays are movie days. When available, campers also use the gym and fitness room to stay active throughout the day.

EAGLE

Held at the Eagle Pool & Ice Rink, the ice rink is transformed into a giant sports court for summer fun! Campers enjoy games, fitness activities, afternoon swimming (weather permitting), and outdoor water play on non-swim days. Weekly walks to the nearby playground add even more fun and activity.

EDWARDS

Held at the Edwards Field House, campers start and end their day in the camp room and enjoy games, crafts, indoor turf field play, and time on the new sport court area. Weather permitting, campers also spend time outside on the playground. On Wednesdays, be sure to bring a swimsuit or change of clothes for water play!
